and German rates of witch convictions, the words of his-torian Norman Cohn are on point: “Massive witch-hunts occurred only where the concept of

witchcraft included the sabbat and where judicial procedure included torture”²³ For the most part, England lacked both of these criteria In England, the witch often was perceived to per-

The Demonic Bible

In the Middle Ages, witch-hunters used to remove the eyes of "witches" so that they would not be able to look upon them and curse them Once a magician has acquired control of his own mental states (through ritual magic), and has converted the "receiver" in his brain into a "transmitter", he is able to "influence" rather than "be influenced"
