If the answers to these questions are affirmative, then a new emphasis on and a new approach to the study of United States history are necessary. Laymen and educators are generally agreed that knowledge of our own history is essential in the making of Americans. The reasons for this belief may be summed up under four main heads. History makes loyal citizens because memories of common ...

Few figures in American history have been more hotly debated or more grossly misunderstood than Alexander Hamilton. Chernow's biography gives Hamilton his due and sets the record straight, deftly illustrating that the political and economic greatness of today's America is the result of Hamilton's countless sacrifices to champion ideas that were often wildly disputed during his time. "T
