from the ...

## [Instrumentation and Control Systems | ScienceDirect](#)

**> claim that you're an engineer. Well, the usual system that I know of is that you do enough problems that you understand something, and are able to solve the problems on the exams, which hopefully aren't in the solutoin manual, and are usually closed book. A good book should teach enough to solve the problems, though for some harder ones it might be nice to have other sources. Some books put ...**
