While Season 2 explores more supernatural themes regarding Leanne and her devotion to the truth with the Turner family, a third season could see her with a new family or still trying to get through to Sean and Dorothy. Whatever the case may be, there's apparently plenty more story to tell. Watch Servant on Fridays on Apple TV+.

What Is Servant Leadership? The idea of servant leadership is ancient. Philosophers such as Lao Tzu, Chanakya, Cicero, Plutarch and Xenophon reference and explore it in their writings. It surfaces in many religious texts, such as the Bible. But it was Robert K. Greenleaf in 1970 who coined the term in his essay "The Servant as Leader":

Jericho is missing. In Servant Season 1, Sean Turner used a realistic baby doll to help his wife Dorothy cope with the loss of their son -- but was ultimately stunned when their nanny Leanne somehow produced a living, breathing child in its place. By the finale, though, she believed she had made a mistake and disappeared into the night, leaving only the doll behind.

First described in The Lancet in 2007, the case of the man who appears to be missing most of his brain has been puzzling scientists for almost 10 years. The French man was 44 years old at the time the journal article came out, and although his identity was kept confidential, the researchers explained how he'd lived most of his life without realising anything was wrong with him. He only went to ...

No one would argue this point, but that is not enough to make the case for servant leadership. Secondly, all your points about fostering the success of one's team would equally be made by ALL modern leadership models so that any such idea says nothing distinctive about servant leadership which is what I meant when I said that this meaning of servant leadership is true but trivial. Mitch ...

A servant is different from a slave because a servant could go to their own home after they were finished serving for the day, therefore they served with pay. A slave on the other hand was owned by the master of the house and they did not get paid. They had compulsory duties and could be called upon at any time of the day or night. One major difference in the culture of the Roman household was ...
